Date of meeting : 19/09/2014

Meeting started at : 3:30 PM

Meeting ended at : 4:30 PM

Duration : 60 minutes

Venue : CIE office, IIIT-Hyderabad

Purpose of meeting : Finished doing with system parameters module and talked about one of our technical difficulties related to models of Larevel framework. Talked about further work and discussed various conceptual aspects of Inventory module and its inter dependencies.

Conclusion of meeting : As conclusion we came to know that the Inventory module involves various inter dependencies of database tables, and since it is a huge module, we concluded that we need to make out proper draft for this module before start working on it. Moreover we need to understand various concepts involved with company's stocks.
